## BECOMING MORE LIKE CHRIST

When Peter asked Jesus how many times he must forgive, he was probably stunned at Jesus' response. Peter had asked, "As many as seven times?" Seven being the perfect number, surely this is enough forgiveness, Peter likely thought. Jesus' response seems lavish beyond proportion. "I say to you, not seven times but seventy-seven times." Jesus understands the fullness of God's mercy and teaches that disciples are called to this same lavish outpouring of mercy. God showers compassion on humanity, beyond what might seem sensible or wise, yet we are called to "remember the Most High's covenant, and overlook faults," to give others the benefit of the doubt, knowing that God does this and more with us, each and every day. As recipients of God's compassion, we must extend forgiveness and care beyond what might seem reasonable, because God's love is beyond human reason.
